## PERSONAL VISION QUESTIONS

What are your basic governing values? Write each with an affirmation of how they manifest in your life. Describe your vision for your personal life in as much detail as you can. Then go on to answer these questions and use them to expand your description of your vision.

- What does your life look like 10 years from now?
- If you were a fly on the wall looking at your life in three years what would you see?
- What is in it for you?
- What does your life look like with your partner?
- What is in it for your partner?
- What is in it for your family?
- How will your goals affect their lives?
- How will it all end? (Sold, passed to someone else?)
- What will a typical day look like for you?
- What will your environment look like? It is three years from now, what four things have to happen for you to say this was the best three years of your life?
- What are the key goals you have for yourself?
- What is it that pulls you out of bed every day?
- What part of your life puts a big grin on your face?
- What are your best qualities?
- How will you use these qualities in your life?
- What are your strengths?
- What are your weaknesses?
- How will you handle the areas that are weaknesses?
- How could you add structure to your vision i.e. vision board, spreadsheet, vision statement, life plan?
- Write your epitaph for your headstone. What does it say about the life you led?
